MY CHILD’S ATTENDANCE GOALS

To improve my child’s attendance, I can commit to the following:

1. 

2. 

3. 

We will review progress to meet this goal at the next Parent-Teacher Conference.

POSSIBLE STRATEGIES TO REACH YOUR CHILD’S ATTENDANCE GOALS

• I will keep an attendance chart at home. At the end of the week, I will reward my child for attending school every day with _____________________________________________.
  (i.e. a visit to the park, a new book, a break from doing chores, a special treat)

• I will make sure my child is in bed by ____ p.m. and the alarm clock is set for ____ a.m.

• If my child consistently complains of a stomachache or headache and medical concerns have been ruled out, I will send him/her to school anyway and call Counselor _________________ so that he/she can check in with him/her during the school day.

• If my child has a cold but no fever (less than 100 degrees), I will send him/her to school anyway. If I don’t have a thermometer, I will purchase or borrow one.

• I will find a relative, friend or neighbor who can take my child to school if I can’t make it or if he/she missed the bus.

• If my child is absent, I will contact his/her teacher to find out how he/she can make up missed schoolwork.

• I will set up medical and dental appointments for weekdays after 3:30 p.m.

YOUR FAMILY’S HELP BANK

1. **Your Family**: List who lives in your house.

2. **Everyday Helpers**: Identify who you can call on to help drop your child off or who can pick him or her up when you cannot. These are people like friends, neighbors and relatives who can help regularly.

3. **Occasional Helpers**: Identify people who probably cannot help everyday, but can help in a pinch. Maybe it’s a godparent, a relative or a friend who lives outside your neighborhood but can be there for short stints.

4. **Potential Helpers**: Identify people who are part of your school community, church or neighborhood who are able to help—if you ask.

If I need help getting my child to and from school, I will ask the following people to be our back-up:

<table>
<thead>
<tr>
<th>Name</th>
<th>Best Contact Number</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td>Name</td>
<td>Best Contact Number</td>
</tr>
<tr>
